Visit my Patreon here: [my new shirts here](#): Welcome to the Channel! In today's episode I start removing all of the hoses, wiring and draining fluids so I can remove the dashboard and get to the instrument panel in order to replace the bulbs etc. I think I bent something. Also, the engine is sitting down in the back a little so I'm not 100% sure what needs adjusting. In order to get to the dash I had to go to a scrap yard picking then I get to finally start putting the dash back together. The dash top needs repairing, but will be in a separate video.
